

Cherokee Elementary PTA Volunteer Opportunities

Welcome Cherokee Cheetah Families!

We are excited to welcome a new school year and all the adventure and memories it will bring! We know that the 2020-21 school year will be an unprecedented one and we are all trying to make it as normal as possible for our kids.

As the year unfolds we will share more about our plans, including specific events and volunteer opportunities. This form is just to collect general interest and information. To stay up-to-date on the latest information and opportunities, check the PTA Website, weekly CheetahMails from the Principal, monthly PTA newsletters, and social media.

Now more than ever, we need you! Our volunteers help fuel our Cherokee Community and provide critical support to students, teachers, staff and school. Together, we can make it a great year!
